

# THE NEW GAMING COMPANION APP!

*A platform where you can  
interact instantly with your  
gaming friends!*

A black smartphone is shown from a front-facing perspective. The screen is light blue and displays the GUMP app interface. At the top, the word "GUMP" is written in large, white, rounded letters with a pink shadow. Below it, the text "~ Gaming Made Social ~" is centered in a smaller, white font. Further down, there are two white labels, "Email" and "Password", each followed by a solid blue rectangular input field.

## GUMP
